

Title:
Bronze and Sunflower

One of the main parts was taken in by Bronze's family.
One of the main parts in the book was when Sunflower refused
Bronze's offer taking her in, she showed him how to write as
she was mute. ~~X~~

One of the main parts for me was when they decide who
went to school. Bronze desperately wanted to go but he let
Sunflower go.

I learnt that they used coloured acorns or things like that
to play with. 

The only thing I didn't like was the beginning went a
bit slowly.
